Forest Service

Title: Small Business Timber Set-Aside Program: Appeal Procedures on Recomputation of Shares.

OMB Control Number: 0596–0141.

Summary of Collection: The Forest Service (FS) administers the Small Business Timber Sale Set-Aside Program in cooperation with the Small Business Administration (SBA) under the authorities of the Small Business Act (15 U.S.C. 631), which establishes Federal policy regarding assistance provided to small businesses; the National Forest Management Act of 1976; the Administrative Procedures Act (5 U.S.C. 522); and SBA's regulations found at 13 CFR part 121. The Set-Aside Program is designed to ensure that qualifying small business manufacturers can purchase a fair portion of National Forest System sawtimber offered for sale.

Need and Use of the Information: Under the program, the FS must re-compute the shares of timber sales to be set aside for qualifying small businesses every five years based on the actual volume of sawtimber purchased by small businesses. Re-computation of shares must occur if there is a change in manufacturing capability, if the purchaser size class changes, or if certain purchaser(s) discontinue operations. The appeal information is collected in writing and is possible, in most locations to be sent via email and attached documents to a Forest Service Officer. The collected information is reviewed by FS officials who use the information to render decisions related to re-computations of timber sale share to be set-aside for small business timber purchasers.

Description of Respondents: Business or other for-profit.

Number of Respondents: 40.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 800.
